MISSION-DRIVEN

You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God. **2 CORINTHIANS 9:11**

For the past nine months, St. John's Evangelical Lutheran Church – Vilmar has embraced their call to be a "mission-driven" church, living out one of the four core values of the North American Lutheran Church. Each month, Vilmar's Mission and Outreach Committee selects a local, national, or world-wide mission to feature and lift up to the congregation for their prayerful support. During each month, funds that are donated for missions are given to that specific project.

Thank You

for your continued support for Vilmar's mission projects in our congregation this year!
